**Annual  
Financial Report**

Dear East Mountain Womenade Supporter,

The year 2020 was a year of challenges for everyone. Schools were closed due to the pandemic, which often made it difficult for our counselors and support staff to have contact or assess families' needs. Nevertheless, we provided assistance to 22 families, by paying for internet so students could access on-line schooling, and paying for propane, electricity, car repairs, and gas cards. Since 2002, East Mountain Womenade has provided \$187,189 in financial assistance for families in the East Mountains,

As expected, we were unable to host our 19<sup>th</sup> annual potluck, but our community of supporters were very generous this year. Some people increased their donations or donated several times. Neighbors in Paako organized "Paako cares," which raised funds for Womenade as well as other East Mountain charities. The Mountain Garden club could not host its annual holiday luncheon, but members kindly mailed in their yearly contributions. We are truly blessed to be surrounded by people who care so much for families who have financial struggles.

We hope you stay healthy this year. Thank you from the bottom of our hearts for your kindness and generosity.
