Potluck will be held Friday, August 28, 2026

A Note from East Mountain Womenade President

It has been another amazing year for East Mountain Womenade in which we were able to help families in Cedar Crest, Edgewood, Moriarty, Tijeras, and Sandia Park. Our 2025 late-summer potluck helped us raise funds to support families throughout the 2025-2026 school year. So, if the request fit our mission, we were able to say yes! Our ability to say yes is only possible because of this community's generosity—your generosity. Thanks go to those of who made time to attend our potluck and/or reached out throughout the year with donations. Your time and money allow us to continue our good work!

From left to right: Leslie Porter, Lindsay Schwebke, Kim Linder, Donna Gillingham, Rachel Moulton, Stacy Sesnie, Shelbi Stoerner, and Suzanne Lutz.

Lindsay Schwebke

Introducing Vice President Lindsay Schwebke

Lindsay Schwebke moved to the East Mountains in 2014 with her husband and two sons, who will both attend East Mountain High School. Lindsay is a local Realtor, focused primarily on the East Mountains, but she also helps clients all over Albuquerque. She has enjoyed volunteering at the schools over the years and loves being a part of the East Mountain community. She loves hiking and being outdoors, watching her boys play sports, and spending time with her family. She joined the board in 2025 and is enjoying her new, expanded role as Vice President in 2026.

Christel Magnuson

Introducing Board Member Christel Magnuson

Christel Magnuson grew up in New Mexico, and although she lived in Texas for many years, New Mexico has always been home. She is truly happy to be back. She is married to a man who makes her laugh, has four grown children who all live in other states, and her first grandchild arrived this summer. She spends her days working as a school-based occupational therapist, and her weekends gardening, hiking, and road-tripping.

Christel's contacts in the local schools allow her to easily get helpful information into the hands of those who are on the front lines, working with families in financial crisis. It's a joy to be in the company of women who simply want to give!

Sandy True

Many Thanks!

Thanks so much to Sandy True who hosted our 2025 potluck. Sandy has agreed to host again this year, and we are so excited to celebrate our past and future work in her beautiful home. We appreciate your kindness and generosity, Sandy! And another special thanks to our young helpers—Hazel, Violet, Amelia, Lauren, and Sara.

Thanks again and as always to Mountain Garden Club members for their generous donations.

President's Note continued...

Since January, we have helped twenty families with over \$13,000 in assistance. We've kept propane and water tanks full, paid electric bills, purchased a water heater for a family in need, covered more than one emergency medical bill, repaired cars, covered rent and/or mortgage, and assisted with education expenses need for graduation. These essentials have helped East Mountain families find their way through hard times, keeping homes functioning for East Mountain kids. It is our continued goal to play an essential role in ensuring that the young people in this community have a chance to succeed. Your support makes this effort possible. Each donation meets a need that would otherwise go unmet, creating a story of hope and positivity in our community.
