

Annual Financial Report

For the Year Ended December 31, 2008

Dear East Mountain Womenade Supporter:

As we all know, 2008 was a year of uncertainty and difficult economic times. With no end in sight, your generous support for those in need of emergency financial assistance is more critical than ever. We would like to take this opportunity to thank you once again for your generous support. We could not do what we do without people like you!

East Mountain Womenade was formed because of the needs of families in the East Mountains, and the limited services available to them. In times of emergency, families need help fast. Our turnaround time for helping families with emergency needs is usually less than 24 hours. Children have food to eat, medical assistance, warm homes and so much more because of East Mountain Womenade. As one mother of a family we recently helped said, "Your assistance helped pay for the propane that has kept us warm this winter. Please know that we are so grateful for and to you!"

We want to assure you that 100% of all donations to East Mountain Womenade go directly to families in need. All overhead expenses such as postage, website hosting and incidentals for our potlucks are generally provided by Board Members; we will never use your donations to cover expenses such as these.

It is my pleasure to present you with East Mountain Womenade's 2008 Annual Report. We were able to help 33 families in 2008, thanks to your generous contributions. We want you to know where every dollar of your contribution goes, and this report provides these details.

We thank you again for your continued support.

Sincerely,

Leslie Porter, President and Co-Founder

Dear East Mountain
Womenade,

thank you very
much for helping me
and my daughter
keep warm this
winter. Your kind gift
of firewood came at a
time of crisis, and helped
us get through.

█, my 8-year-old,
would like you to have
