

Annual Financial Report

For the Year Ended December 31, 2013

Dear East Mountain Womenade Supporter,

Since its founding in 2002, East Mountain Womenade has created a community of caring thanks to each of you. Donors give what they can depending on their own circumstances and then those financial resources are available when our East Mountain neighbors with children hit a difficult period in their lives. We have been told many times by the counselors and social workers in the schools that families feel like they have gotten a giant hug from members of our community, as well as the concrete help they need to survive a financial emergency situation.

We, the board members of East Mountain Womenade, sincerely thank all our 2013 donors. Your donations ensured children in our community had food to eat, clothes that fit, necessary prescription medications and a warm place to sleep. Their parents had a working vehicle with some gas in their tank to get them to jobs or the knowledge they could buy groceries another week. We would also like to express our gratitude to the Mountain Garden Club members for their continued generous support during their yearly holiday luncheon and to the Hancock Family Foundation for a second year grant of \$3,000.

The 2013 Annual Report provides details on funds raised during the year and the help provided to 65 families during the year. We could not do what we do without our kind and committed supporters!

With gratitude,

East Mountain Womenade Board of Directors
