

# **Annual Financial Report**

For the Year Ended December 31, 2014

Dear East Mountain Womenade Supporter,

East Mountain Womenade is thriving as an organization helping families with school age children in the East Mountains area of Central New Mexico. We work closely with school counselors and social workers to get emergency financial assistance to families who find themselves in need due to some sort of crisis.

This vital help to our community could not exist without the support of our 2014 donors. Donations were used to help 37 different families in 2014 with such needs as heat during the winter, clothing and shoes for children that fit, gas for getting to work or school, a place to stay after a house fire and many other needs. In addition to our individual donors, we would like to thank Mountain Garden Club members for their continued support during their annual holiday luncheon as well as Paako Fine Artists who gave our organization a percentage of their sales during the Paako Artists fall art show.

In 2014, East Mountain Womenade celebrated a major milestone. Since its beginning in 2002, East Mountain Womenade has provided over \$105,000 to families in need in the East Mountains.

The 2014 Annual Report provides details on funds raised and help provided during this year. We could not do what we do without our committed, generous supporters!

With gratitude,

East Mountain Womenade Board of Directors
