Providing emergency financial assistance to families with school-aged children in the East Mountains

Dear East Mountain Womenade Supporter,

Since our founding in 2002, East Mountain Womenade has provided over \$120,000 in aid to families with school age children in the East Mountains area of Central New Mexico. School staff, counselors and social workers contact our organization with requests to help families that are in need of emergency financial assistance. One hundred percent of East Mountain Womenade's donations go directly to families in need.

In 2015, East Mountain Womenade's sole funding source was individual donors. Donations were used to help 39 different families whose needs included assistance with home heating, utility payments, and gasoline for getting to work or school to name a few. In addition to thanking all individual donors, we would like to recognize the continued generosity of the Mountain Garden Club members for supporting East Mountain Womenade through their annual holiday luncheon and the Paako Artist Foundation members who donated a portion of their spring Art Show sales to East Mountain Womenade.

The 2015 Annual Report provides details on funds raised and assistance provided to families during the year. Thanks to our generous supporters, East Mountain Womenade is able to carry out our mission and make a difference for families and children in need.

With gratitude,

East Mountain Womenade Board of Directors

Dear Womenade,

Honestly, it was so helpful for you to give me the wood, money for propane, the gift cards, the work boots and the wood stove glass.

I wouldn't have been able to get all these things without your help.

Thank you very much!
